FIG. 5

Technical drawing of a mechanical assembly, likely a pump or valve mechanism, shown in a longitudinal section. The drawing includes the following components and features:

- Section Lines:**
 - Section III-III (indicated by a vertical line with arrows at both ends, labeled III at the top and bottom).
 - Section IV-IV (indicated by a vertical line with arrows at both ends, labeled IV at the top and bottom).
 - Section VI-VI (indicated by a horizontal line with arrows at both ends, labeled VI at the left and right).
- Components and Features:**
 - 1:** A long, horizontal shaft or rod passing through the center of the assembly.
 - 2:** A circular component at the left end of the shaft, possibly a flange or seal.
 - 3:** A circular component at the right end of the shaft, possibly a flange or seal.
 - 4:** A small component on the left side of the shaft.
 - 5:** A small component on the left side of the shaft, adjacent to component 4.
 - 6:** A component on the left side of the shaft, possibly a bearing or support.
 - 7:** A component on the left side of the shaft, possibly a bearing or support.
 - 8:** A component on the left side of the shaft, possibly a bearing or support.
 - 9:** A component on the left side of the shaft, possibly a bearing or support.
 - 10:** A component on the left side of the shaft, possibly a bearing or support.
 - 11:** A component on the left side of the shaft, possibly a bearing or support.
 - 12:** A component on the left side of the shaft, possibly a bearing or support.
 - 13:** A component on the left side of the shaft, possibly a bearing or support.
 - 14:** A component on the left side of the shaft, possibly a bearing or support.
 - 15:** A component on the left side of the shaft, possibly a bearing or support.
 - 16:** A component on the left side of the shaft, possibly a bearing or support.
 - 17:** A component on the left side of the shaft, possibly a bearing or support.
 - 18:** A component on the left side of the shaft, possibly a bearing or support.
 - 19:** A component on the left side of the shaft, possibly a bearing or support.
 - 20:** A component on the left side of the shaft, possibly a bearing or support.
 - 21:** A component on the left side of the shaft, possibly a bearing or support.
 - 22:** A component on the left side of the shaft, possibly a bearing or support.
 - 23:** A component on the left side of the shaft, possibly a bearing or support.
 - 24:** A component on the left side of the shaft, possibly a bearing or support.
